

Your Payday, Reimagined

Payactiv has partnered with your employer to bring you a digital wallet built for every day life.

\$ Decide when and how you get paid

Earned Wage Access (EWA) gets you paid before payday. Work your shift, and we'll make a portion of that money available, giving you more control over when and how you want to use it. The funds you access simply get deducted from your next paycheck. No gimmicks, no hoops—just your money, in your hands.
